

Minutes from the Silverbell Golf Club Annual Meeting

12/3/2022

The meeting opened at 1:45 PM

The board members were introduced. The committees that the board members sat on were also discussed.

There was an announcement and discussion about next years election of board members.

There was a discussion about how important the money men were and how the members could make their job easier. Steve Wellman was recognized for his help in taking over the Saturday money man position from Jim Ballam. A called made for volunteers to help with the money man duties

Under the Rules Committee report there was a discussion about strictly following USGA Tournament rules during all club tournament play. There was also a discussion of how to handle rules disagreements during play days,

Under the Treasurers report Butch gave a report stating that the club was in good financial condition. He discussed that the club was looking at ways the club could give back to the members. More hotdog days and increasing purses along with paid entry fees were discussed.

Under the Membership report Butch discussed how many member the club currently has. He mentioned that new was the time for members to renew their membership before the end of the day in order to avoid paying a higher fee after the first of the year.

Butch also gave a report on the TMS program and how it was working. The members were asked if anyone familiar with computers and spreadsheets to volunteer to help Butch and Mike with the running of results and payouts reports.

Jim and Butch gave a report on the types of new tournaments that the board was thinking about introducing for the coming year. These included more fun days like the 3M tournament and doing blind draws were the members would play with their assigned partners.

A call to close the meeting was made and approved at 2:45 PM.
